Mr. President, Senator Chambers asks unanimous consent to print a motion in the Legislative Journal.

PRESIDENT LUEDTKE: Any objections? If not, so ordered.

CLERK: Read by title for the first time, LB 152

PRESIDENT LUEDTKE: The Chair recognizes Senator Lewis.

SENATOR LEWIS: Mr. Chairman, while we are in a lull here I want to remind the members that this afternoon we will be appointing our members to the Political Accountability Commission. We sent each of you a letter. Please respond and have that back to us at noon up in my office, if you will. I would appreciate that.

CLERK: Mr. President, Senator Duis would like to give notice that the Administrative Rules and Regulations Committee will meet in executive session at 2:00 p.m. in the West Senate Lounge today.

PRESIDENT LUEDTKE: The next item on the agenda is Item #6, Resolutions, LR 1. Proceed, Mr. Clerk.

CLERK: Read LR 1. Mr. President, that can be found on page 74 of the Legislative Journal.

PRESIDENT LUEDTKE: The Chair recognizes Senator Newell.

SENATOR NEWELL: Mr. President, members of the body, I have offered LR 1 to recognize certain historical figures in the State of Nebraska, people who I think that the citizens should be given greater opportunity to be aware of, their outstanding service to the state, to our political history and in many cases, to this great body. I would like to simply state that the proposal is a modest one. It is even more modest when the Clerk will read the amendment that I am offering to the resolution. What we are proposing is simply to provide this recognition as Congress does in many of their hearing rooms that are named after famous political figures who have served in Congress. The situation here is also motivated by a very simple fact that I can never remember as many of the other members of the body just exactly where 1019, 2102 and various other numbers are and that is exactly it, Loran, and if not for the importance of recognizing political figures and providing some historical perspective to the citizens of Nebraska, just the rationale that I can't find the room number as many other persons in this body can't either,
